CANDLES
HANDMADE IN WALES

*A world of fragrance,
A world of colour*

welcome

Busy Bee Candles is owned and operated by husband and wife team Haitham and Denise. What began as a hobby making scented candles for their own use and for friends and family has rapidly grown into a dedicated natural home fragrance manufacturer serving customers throughout the UK and also into Europe. The couples passion for natural home fragrance has endured with the company only using natural soy wax in all of their products. The company continue to manufacture every single product they supply by hand. This includes the labelling, wicking and even the blending of the various quality ingredients. In this way, each and every Busy Bee Candle or home fragrance product is truly unique and ensures quality to the user.

Now offering in excess of 70 fragrances in a variety of scented candles and home fragrance products, Busy Bee Candles continues to grow. The home fragrance range introduced in this brochure is unique to this young and entrepreneurial company. Join Busy Bee Candles in providing a handmade, UK manufactured quality home fragrance range to your customers.

“

From the beginning, we have always used the best waxes, scents and wicks to create our home fragrance range. It's a value we always stand by and it shows in each and every product.

”
