Join Busy Bee Candles and indulge in the finest quality handmade, UK manufactured home fragrance products. It's what you and your home deserve!

# Magik Candle®

Magik Candle® is a brand new and innovative home fragrance product, invented and developed by the team at Busy Bee Candles. Granted a patent in 2018 and holding 5 European Design Registrations, Magik Candle really is the easiest, most effective, safest and most fun to use scented candle anywhere. A scented candle for the 21<sup>st</sup> century!

## “Stunning”!

Magik Candle is “magic” as it uses no flame. It is powered by a high quality electrical base station featuring a high efficiency halogen light bulb. The candle jar sits over the base and the wax in the twin walled jar is heated indirectly by the bulb. The entire wax contents of the candle is melted and provides an unbelievably strong, pure fragrance throw. A scented candle with a 100% melt pool! A Scented Candle unlike any other!

## Product Highlights
